Hi Amie,

Hope all is well. This account is expiring in our Evanston binding authority and they non-renewed based on class of business. We've had it with them the past 2 years. Clean loss runs attached. There was a claim in a prior year from a sub that got injured, but we can exclude labor law. I'll have updated prior carrier loss runs for those years have been ordered.

They are a fire suppression system/extinguisher/range hood servicing & sales company in NY.

Expiring GL is attached.

I also attached the most recent inspection in our files.

Think you can help on this one?
