## CLAIM EXAMPLE

Smith's Personal Training, LLC provides exercise regimens and personal training to their clients for \$100.00 an hour. During a one-on-one training session, John Doe, a client of Smith's Personal Training, sprains his ankle. John Doe takes legal action against Smith's Personal Training, LLC on the matter that the personal trainer did not take into account the client's inability to perform certain exercises that lead to bodily injury. Defense costs and damages were in excess of \$25,000.

**Minimum Premium Starting At: \$625.00**
